

Date: 25<sup>th</sup> November, 2021

Area: Chaguanas, Enterprise, Couva

## Pothole Update

The potholes spotted by the Chaguanas main road has been fixed and there are no more holes in that road.

The potholes in Enterprise is under construction and will be fixed in a short space of time being within the week.

The potholes in Couva have been sent to district and will be fixed accordingly as there are many holes in that area.

If there are any issues, please feel free to continue posting on the Pothole Spotter App and these issues will be dealt with.

Regards,

District of Port-of-Spain
