

Date: 25th November, 2021

Area: Port-of-Spain, West Moorings, Laventille

Pothole Update

The potholes spotted by the corner of Frederick Street has been fixed and there are no more holes in that road.

The potholes in West Moorings is under construction and will be fixed in a short space of time being within the week.

The potholes in Laventille have been sent to district and will be fixed accordingly as there are many holes in that area.

If there are any issues, please feel free to continue posting on the Pothole Spotter App and these issues will be dealt with.

Regards,

District of Port-of-Spain
