

Date: 25<sup>th</sup> November, 2021

Area: San Fernando, Diamond Village

## Pothole Update

The potholes spotted by the San Fernando main road has been fixed and there are no more holes in that road.

The potholes in Diamond Village is under construction and will be fixed in a short space of time being within the week.

If there are any issues, please feel free to continue posting on the Pothole Spotter App and these issues will be dealt with.

Regards,

District of Port-of-Spain
